

# JAPANESE IEP - Entering Fall 2022

For the **Global Language and Area Studies Major (GLAS) Japanese track language specialization** you must take one JPN class each semester. During your academic career, you must take at least one Area Studies course from the following: HIS 171, 375; JPN 310, 497; PSC 377; RLS 131. You must also complete one additional Area Studies course from the list above OR one additional JPN course. Complete LAN 220 and LAN 420. You are encouraged to take JPN 310 in the spring of your sophomore or junior year. If you are starting out at a higher level in Japanese at URI and took 3+ years of Japanese during HS, you might be able to receive 3 credits of JPN toward your GLAS major ([bit.ly/urilangincred](http://bit.ly/urilangincred)).

**It is recommended that courses marked with an asterisk (\*) are taken over the summer.** Please note you will need to pay a “credit overload” fee for each credit enrolled above 19 in any given semester (you will also need permission from your Dean’s Office to do so). Summer and winter coursework similarly incur additional costs beyond your fall and spring semester tuition.

**General Education Outcomes** can be completed when possible, including while abroad (one JPN course will cover outcomes *A3* and *C2*; LAN 220 will cover *A2* and *C3*).

**Requirements for each College of Engineering major can be found at:** <http://uri.edu/engineering/students/program-curriculum-check-sheets/>

**Freshman Year Fall Semester** Cr. Grade

JPN 101	Beginning Japanese I	3	
LAN 220	Unders. Languages in Cult. Context	3	

**Freshman Year Spring Semester** Cr. Grade

JPN 102	Beginning Japanese II	3	

**Sophomore Year Fall Semester** Cr. Grade

JPN 201*	Intermediate Japanese I	3	

**Sophomore Year Spring Semester** Cr. Grade

JPN 202*	Intermediate Japanese II	3	
JPN 310	Japanese Language and Culture in ENG	3	

**Junior Year Fall Semester** Cr. Grade

JPN 301	Pre-Advanced Japanese I	3	
---------	-------------------------	---	--

**Junior Year Spring Semester** Cr. Grade

JPN 302	Pre-Advanced Japanese II	3	
---------	--------------------------	---	--

**Semester Abroad** Cr. Grade

JPN 3XX/4XX	JPN 3XX/JPN 4XX	3	
JPN 3XX/4XX	JPN 3XX/JPN 4XX	3	
JPN 3XX/4XX	Additional JPN Language course	3	
	General Education Outcome(s)	3	
	General Education Outcome(s)	3	

**International Internship Semester** Cr. Grade

JPN 497	Language Study Abroad	3-6	
<b>Note:</b> This is a sample of the coursework you may be able to complete while abroad. Engineering majors normally satisfy one professional elective and one general education outcome while abroad that will apply to their BS requirements. You are responsible to complete all engineering requirements as outlined on the engineering curriculum sheet you are following. Credits completed abroad will vary by what is offered, your eligibility, and your own success.			

**Senior Year Fall Semester** Cr. Grade

JPN 401/ JPN 4XX		3	

**Senior Year Spring Semester** Cr. Grade

JPN 402/ JPN 4XX		3	
LAN 420	Capstone Sem. Across Lang. & Cult.	3	

## Pre-approved Engineering Curriculum Adjustments:

Do not deter from the prescribed engineering curriculum sheet you are following unless confirmed with your engineering advisor. The following preapproved adjustments correspond to the engineering-specific curriculum sheet you are following:

**Chemical Engineering:** ECN 201 should most easily fit in the Sophomore Year Fall Semester (although can be taken in any fall or spring semester, and is normally offered in the summer).

**Civil Engineering:** STA 409 should be attempted in the Junior Year Spring Semester (seek to complete **1 Professional Elective** during your year abroad or during a summer or winter term at URI). CVE 355 can be taken in the Senior Year Fall Semester (your 5<sup>th</sup> year, after you return from your year abroad).

**Computer Engineering:** MTH 215 can be attempted in Sophomore or Junior Year Spring (and is normally offered in the fall and summer).

**Industrial and Systems Engineering:** enroll in MCE 201 in the Sophomore Year Fall Semester and ISE 240/241 in the Sophomore Year Spring Semester.
