

SPANISH IEP (Track A)- Class of 2024 (entering Fall 2019)

The BA program in Spanish requires a minimum of 30 credits (excluding SPA 101 and 102). Must take: a SPA class in each semester, SPA 325 before going abroad in the 4th year, and three 400-level courses. It is *strongly* recommended SPA 321 is taken before going abroad. Please make an appointment with your Spanish IEP Advisor to discuss your individual schedule ahead of each new semester.

Courses marked with an asterisk (*) throughout this guide are not required, however are strongly recommended. Please note you will need to pay a “credit overload” fee for each credit enrolled above 19 in any given semester (you will also need permission from your Dean’s Office to do so). Summer and Winter coursework similarly incur additional costs beyond your fall and spring semester tuition.

General Education Outcomes can be completed when possible, including while abroad (one SPA course will cover outcomes A3 and C2)

Requirements for each College of Engineering major can be found at: <http://uri.edu/engineering/students/program-curriculum-check-sheets/>

Freshman Year Fall Semester

SPA 205	Spanish Language and Style I	3
---------	------------------------------	---

Freshman Year Spring Semester

SPA 206	Spanish Language and Style II	3
---------	-------------------------------	---

Sophomore Year Fall Semester

SPA 312	Advanced Spanish	3
---------	------------------	---

Sophomore Year Spring Semester

SPA 325	Introduction to Literary Genres	3
---------	---------------------------------	---

Junior Year Fall Semester

SPA 4XX	Advanced Literature/Culture/Linguistics	3
---------	---	---

Junior Year Spring Semester

SPA 321	Spanish for Business and Technology	3
---------	-------------------------------------	---

SPA 3XX*, Summer Language Immersion Program – 3 or 6 credits

Semester Abroad

SPA 3XX or 4XX	Advanced Literature/Culture/Linguistics Course	3
SPA 412*	Advanced Technical Spanish (Engineering Course abroad taught in Spanish)	3
	General Education Outcome(s)	3/6
	Engineering Course(s)	3/6
Note	need to take a min. 12 credits abroad	12

International Internship Semester

SPA 316/317	Language Study Abroad	6
<p><i>Note:</i> This is a sample of the coursework you may be able to complete while abroad. Engineering majors normally satisfy one professional elective and one general education outcome while abroad that will apply to their BS requirements. You are responsible to complete all engineering requirements as outlined on the engineering curriculum sheet you are following. Credits completed abroad will vary by what is offered, your eligibility, and your own success.</p>		

Senior Year Fall Semester

SPA 4XX	Advanced Literature/Culture/Linguistics Course	3
---------	--	---

Senior Year Spring Semester

SPA 4XX	Advanced Literature/Culture/Linguistics Course	3
---------	--	---

Preapproved Engineering Curriculum Adjustments:

Do not deter from the prescribed engineering curriculum sheet you are following unless confirmed with your engineering advisor. The following preapproved adjustments correspond to the engineering-specific curriculum sheet you are following:

Chemical Engineering: ECN 201 should most easily fit in the Sophomore Year Fall semester (although can be taken in any Fall or Spring semester, and is normally offered in the Summer). For Pharm Track, CMB 211 should be attempted in the Junior Year Fall semester, and BIO 341 in the Senior Year Fall semester (your 5th year, after you return from your year abroad). CMB 311 should be completed Sophomore year as outlined.

Civil Engineering: STA 409 should be attempted in the Junior Year Spring semester (as 1 Professional Elective should be completed during your year abroad). CVE 355 can be taken in the Senior Year Fall Semester (your 5th year, after you return from your year abroad).

Computer Engineering: MTH 215 can be attempted in Sophomore or Junior year Spring (and is normally offered in the Fall and Summer)

Industrial and Systems Engineering: enroll in MCE 201 in the Sophomore Year Fall Semester and ISE 240/241 in the Sophomore Year Spring Semester
