CELS Space Committee Minutes**2/11/22**

Present: Dawn Cardace (Chair, Notes), Corey Lang, Brian Gerber, Joel Chandlee, Hollie Putnam, Thomas Mather.

Absent: Austin Humphries, Jeff Ulricksen, Cheryl Wilga

1/ No new space requests submitted.

2/ Waiting on Chemical Hygiene and Safety to determine if systemic issues in Woodward Hall need committee attention.

3/ Note of concern: the intention of doubling the URI research portfolio (as worded in communication from the Office of the President, Marc Parlange) will intensify the CELS space crunch. We will discuss proactive planning at our next meeting.

4/ Excellent morale in CELS Space Committee remarked upon by T. Mather; all concur.

5/ Unless we must make a change, we will hold Spring 2022 committee meetings on the second Fridays of each month [1/14/22, 2/11/22, 3/11/22, 4/8/22, 5/13/22], 1pm, via zoom @
