

Welcome to URI!

Important Information & Next Steps from The Transfer Resource Center & JAA Office

Congratulations on your acceptance to URI!

Please read the following carefully. It is your responsibility to become familiar with AND meet all the requirements outlined below to transfer to URI under the Joint Admissions Agreement (JAA).

First, it is important to recognize that we respect the rights and dignity of each individual and group. We reject prejudice and intolerance, and we work to understand differences. We believe that equity and inclusion are critical components for campus community members to thrive.

TO DO ITEMS:

- 1. URI Enrollment Deposit:** Now that you are accepted, submit your enrollment deposit ASAP to gain eligibility to register for courses. The enrollment deposit is \$300. The deposit will be applied to your first semester tuition. <http://web.uri.edu/enrollment/enrollment-deposit/> JAA students began registering for Fall 2021 courses on **March 29th, 2021**. Please note, it often takes 2-3 business days for your enrollment deposit to post. The deposit deadline to attend URI for Fall 2021 is June 15th. Advising information is below.
- 2. Transcripts:** Please be sure you sent an official electronic transcript from CCRI to transfer@etal.uri.edu. You will need to send another official electronic transcript once **SPRING 2021 grades are posted**. This is important so we can post your transfer credits for advising purposes. **Your admission will be rescinded if we do not receive a final transcript showing your graduation.**
 - a. If you have **college credits from other institutions**, please be sure to send official transcripts from those institutions as well. **Advanced Placement (AP)** credits must be electronically sent to URI by logging into your CollegeBoard account. You may follow-up with Karen Wright, kmwright@uri.edu, if you have additional questions on sending AP scores.
- 3. Memorize your URI ID number:** Your URI ID number was sent in your official electronic acceptance letter. It is 9 digits and begins with 100XXXXXX. Please save this number. Students often store their ID number in their cell phones until it is memorized. You should include it in **ALL** email

messages and have it ready when calling URI. Your student ID number was included in your official URI Acceptance Letter. If you can not find this number, please email jaa@etal.uri.edu with your name and date of birth and we will assist you.

4. **Update your FAFSA & Financial Aid Information:** Add URI to your FAFSA. URI Federal School Code: 003414. Beginning in mid-March, daily counselors will be available to discuss your financial aid package. Please monitor <https://web.uri.edu/enrollment/financial-aid/> for additional information and updates.
5. **Please be sure you are very familiar with the [JAA Contract and Checklist Document](#) you reviewed when completing your electronic Intent to Enroll form.**
6. **Your GATEWAY to URI:** Visit <https://www.uri.edu/gateway/students/>. This one of the most important links to get started at URI. It is a centralized spot to set-up important URI systems like eCampus (used for registration & billing), Starfish, Brightspace, and your official URI email. Many other important links to campus offices and transfer information are located here as well- including a link to obtain your student ID. Please note, URI uses single sign-on (SSO) for all systems except eCampus. Instructions to set-up these passwords can be found on this important [GATEWAY TO URI](#) page.
7. **Advising Information:** Schedule an appointment with your URI advisor to discuss course registration. Advising information can be found at <https://web.uri.edu/transfer/advising-information/>. At this time, your advising appointment will be virtual using Zoom, Webex or via telephone. **It is important to schedule your advising appointment using Starfish.** Please contact 401.874.2993 for assistance.
 - a. During your advising appointment:
 - i. Be sure to discuss all of your transfer credits, including the courses you are currently enrolled in.
 - ii. Register for classes using eCampus: uri.edu/ecampus
 1. Please visit this [website for step-by-step enrollment instructions](#).
 2. You may need to ask your advisor for permission numbers as your transfer credits continue to be posted or while we wait for Spring 2021 CCRI final grades.
 - iii. This is all **VERY TIMELY** because registration **begins March 29th, 2021**, making you eligible to register with continuing URI students.
 - iv. You must register for at least 12 credits to be considered a full time student.
 - v. Discuss enrolling in URI101 and/or UCS160 with your advisor. Both courses are designed to facilitate your transition to the University and to help you learn to succeed in online and upper-level courses.
8. **URI Email:** Be sure you set this up using the information found on the [GATEWAY TO URI](#) page. Check your URI email frequently for updates. Your URI email is very important because this is where all official University correspondences will be sent.
9. **Office of Veteran Affairs & Military Offices:** The mission of the URI Office of Veteran Affairs and Military Programs is to serve and support prior, present, and future military-connected students, faculty, and staff as they further their education and professional objectives. Please contact Rachael Garcia at racahel_garcia@uri.edu and visit <https://web.uri.edu/veterans/> for additional information.
10. **Housing Information:** We anticipate having some on-campus housing available for new transfer students, and will make every effort to accommodate as many new transfer students as possible. Timely application is important. We'll soon update the link on [our website](#). For assistance with off-campus housing, please contact The Office of Commuter Affairs at <https://web.uri.edu/commuter-housing/>

DO YOU HAVE MORE QUESTIONS OR NEED ADDITIONAL INFORMATION? PLEASE CONTACT US AT JAA@ETAL.URI.EDU. We are happy to schedule a Zoom or WebEx meeting, if needed, to facilitate your transition to URI.
