

<b>CORE EXERCISE SCIENCE REQUIREMENTS – Take ALL of the following courses (54 credits)</b>			
Course	Credit	Taken	Prerequisites
URI 101	1		
BIO 220/221 A&P I/Lab	4		
BIO 222/223 A&P I/Lab	4		BIO 220/221
CHM 103 Chemistry	3		
CHM 105 Chemistry Lab	1		Credit or concurrent enrollment in CHM 103
CHM 124 Organic Chemistry	3		CHM 101 or 103 with a grade of C- or better
CHM 124 Organic Chemistry	1		CHM 102 or 105 & credit or concurrent enroll. in CHM 124
KIN 243 Athletic Injuries	3		
KIN 275 Intro Ex Science	3		
KIN 300 Ex Physiology	3		BIO 222
KIN 301 Ex Physiology Lab	1		BIO 223
KIN 320 Resistance Training	3		BIO 222, KIN 275, KIN 300
KIN 325 Ex Testing & Rx	3		BIO 222, KIN 275, KIN 300
KIN 370 Kinesiology	3		BIO 222
KIN 381 PA Behavior	3		PSY 113
KIN or Health related Free Elective	3		
PHY 111 General Physics I	3		
PHY 185 Physics I Lab	1		
PHY 112 General Physics II	3		
PHY 186 Physics II Lab	1		
PSY 232, 235, 254 or 255	3		PSY 113
<b>Select 1 Statistics Course below</b>			
PSY 200 Quantitative Methods	4		PSY 113, sophomore standing, one math course
STA 307 Biostatistics	4		MTH 107 or 108 or 131 or 141
STA 308 Introductory Statistics	4		MTH 107 or 110 or 111 or 131 or 141 or BUS 111
Total Credits			

Students in this track must complete the following requirements to stay in this accelerated program:

- Complete the required course sequence (pg. 4) and have a 3.2 GPA at the completion of Freshman year
- Receive a minimum grade of 3.0 (B) in BIO 220
- Complete the required course sequence (pg. 4) and have a 3.30 GPA at the completion of Sophomore year
- Complete the required course sequence (must complete the courses listed through fall year 3), have a GPA of 3.40 following the first semester of the Junior year.

Students who successfully meet the requirements, have taken the GREs, and have completed a minimum of 30 hours observation in a PT setting may apply for early contingency admission to the PT program. The student will be considered along with the regular pool of applicants for acceptance into the program.

**GENERAL EDUCATION REQUIREMENTS – 40 Credits**

Course	Credit	Knowledge				Competencies				Responsibilities			Integ.	Approved Grand Challenge Course
		A1. STEM	A2. Social & Behavioral Sciences	A3. Humanities	A4. Arts & Design	B1. Write Effectively	B2. Communicate Effectively	B3. Math, Stats, Computation	B4. Information Literacy	C1. Civic Knowledge & Responsibility	C2. Global Responsibilities	C3. Diversity & Inclusion	D1. Ability to Synthesize	
BIO 101	3	X												
BIO 103	1	X												
COM 100	3						X			X				
KIN 123	3		X						X					
KIN 420	3												X	
MTH 111	3	X						X						
NFS 207	3	X						X						
PSY 113	3		X											
WRT 106	3					X			X					
Total Credits														

\*Make sure one course in A3, A4, C1, C2, or C3 is a grand challenge.

<b>FREE Electives – Use free electives as needed to total 94 credits by the end of junior year</b>	
Total Credits	

An advisor signed copy of this sheet must be submitted to the Dean’s Office with the Intent to Graduate Form. Deadlines: 10/15 for May graduation; 11/15 for August graduation; 4/15 for December graduation.

Advisor’s Signature \_\_\_\_\_ Date \_\_\_\_\_

## **IMPORTANT STUDENT INFORMATION**

### **GENERAL EDUCATION GUIDELINES:**

General education is 40 credits. Each of the 12 outcomes (A1-D1) must be met by at least 3 credits. A single course may meet more than one outcome, but cannot be double counted towards the 40 credit total. At least one course must be a Grand Challenge (G). No more than 12 credits can have the same course code (HPR courses may have more than 12 credits). General education courses may also be used to meet the requirements of the major or minor when appropriate.

### **TRANSFERRING FROM UNIVERSITY COLLEGE TO THE COLLEGE OF HEALTH SCIENCES AND KINESIOLOGY:**

To transfer out of University College, you must have earned 24 credits, passed BIO 101, and have a minimum GPA of 2.0.

### **IMPORTANT INFORMATION FOR EARLY CONTINGENT PHYSICAL THERAPY PROGRAM**

This advanced specialization is designed for highly qualified students who have decided on a career in physical therapy and wish to attend the URI DPT program. Students successfully following this track will be allowed to apply for the URI DPT program during their junior year. If accepted, credits earned the first year in the physical therapy program will be used to complete the B.S. degree in Kinesiology. Students in this track must complete the following requirements to stay in this accelerated program:

- Complete the required course sequence (attached) and have a 3.2 GPA at the completion of Freshman year (including summer classes).
- Receive a minimum grade of 3.0 (B) in BIO 220
- Complete the required course sequence (attached) and have a 3.30 GPA at the completion of Sophomore year
- Complete the required course sequence (must complete the courses listed through fall 03), have a GPA of 3.40 following the first semester of the Junior year.

Students who successfully meet the requirements, have taken the GREs, and have completed a minimum of 30 hours observation in a PT setting may apply for early contingency admission to the PT program. The student will be considered along with the regular pool of applicants for acceptance into the program. Students who do not meet the requirements or who do meet requirements but are not accepted into the DPT program can complete the undergraduate track in Exercise Science and apply for PT school during their senior year. The courses needed to complete the B.S. in Kinesiology (Exercise Science Pre-Professional Specialization) are: CMB 210, KIN 390, KIN 484, 9-10 credits of free electives (to equal 120 total credits).

**INFORMATION ABOUT GRADUATE SCHOOL:**

**Physical Therapy:** Students Interested in pursuing a Doctorate in Physical Therapy can view a list of physical therapy programs throughout the U.S. along with prerequisites, application deadline dates, PT observations requirements and GRE requirements by program at <http://www.ptcas.org/ProgramPrereqs/>

University of Rhode Island PT School Prerequisites:

- 12 credits of Biology: BIO 101, 220/221, 222/223
- 8 credits of Chemistry: CHM 103, 105, 124, 126
- 8 credits of Physics: PHY 111, 185, 112, 186 (use free elective or general education credit)
- 6 credits of Psychology including a second level PSY course (e.g., developmental, adolescent, social...): PSY 113 required; use free elective or general education credit for second level course
- 3 Credits of Pre-Calculus: use free elective or general education credit to take MTH 111
- 3 credits of Statistics
- 3 credits of Communication: COM 100 required

Note: Other PT programs often include additional/different prerequisites such as requiring BIO 102 or requiring a higher level chemistry (CHM 101 in place of CHM 103). For specific information about individual schools, students are encouraged to review individual web sites for schools that they are interested in attending so that they can use free elective or general education courses to fulfill any additional requirements.

**EARLY CONTINGENT COURSE ROTATION EXAMPLE**

FALL YEAR 1	SPRING YEAR 1	FALL YEAR 2	SPRING YEAR 2	FALL YEAR 3	SPRING YEAR 3

- Courses marked \* are prerequisites for the DPT program. These courses **MUST** be completed in the first five semesters to be eligible to apply to the URI DPT program.
- The order in which you take classes may vary from this example, but follow it as closely as possible. You may take summer or J-term courses to fulfill curriculum requirements
- If you meet the eligibility criteria, you will apply to the URI DPT program fall semester junior year. Complete GREs and observation hours prior to the application deadline. PT-CAS applications open in the summer.
- If you apply to the URI DPT program and are not accepted, you will be put into the Exercise Science pre-professional program for your senior year
