3. Business majors can use up to 9 elective credits toward internships.

### Transfer Credit Requirements:

2. Credit transferred from a community or junior college is limited to half the credits required for the University of Rhode Island degree. For a degree in business, that limit is 60 credits. Junior and senior level business courses are accepted only from colleges that are AACSB accredited. Upper-level business courses taken at an institution not accredited by AACSB or at a two-year institution must be validated by examination. Courses that are not validated will be designated free elective credit.
