

**ANIMAL SCIENCE TECHNOLOGY, Animal Management**  
*College of the Environment & Life Sciences (CELS)*

Effective Fall 2012

---

**Department:** Fisheries, Animal & Veterinary Science, 874-2477, [www.uri.cels/FAVS](http://www.uri.cels/FAVS)  
**UC Advisor:** Tony Mallilo, [tonym@uri.edu](mailto:tonym@uri.edu), 874-4658  
**Option:** Animal Management (formally Lab Animal)  
**Credits:** 120

**The Major:** The Animal Management option is designed to prepare students for employment where the skills necessary to manage the daily operations of an animal facility are required. This option requires fewer credits in the basic sciences but more in the supporting electives.

**Career Options:** Graduates with experience in animal management find employment in zoos, aquariums, animal shelters, ASPCA, pet food companies, federal, state, and local opportunities dealing with animal control. In addition, graduates can continue their education in a Graduate Program.

**Transfer out of UC:** Must have completed at least 24 credits, minimum GPA of 2.00, and received permission from the UC major advisor.
