### **Chemistry & Forensic Chemistry-BS** <u>**THE UNIVERSITY OF RHODE ISLAND</u>** FALL 2019-SPRING 2020 120 Credits Total 55 Credits in Major</u>

#### ABOUT THE CHEMISTRY AND FORENSIC CHEMISTRY DEGREE:

The Chemistry and Forensic Chemistry BS program emphasizes a strong preparation in chemistry supplemented by an introduction into the field of forensic science. The program features exposure to forensic scientists from around the country who give presentations at the weekly Forensic Science seminar.

#### **Step 1:**

#### **Major Requirements:**

| Course                    | Semester                        | Credits | Grade |  |  |
|---------------------------|---------------------------------|---------|-------|--|--|
| CHM 191 or CHM            | Semester                        | 5 or 4  | Glaue |  |  |
| 101/102                   |                                 | 5 OF 4  |       |  |  |
| CHM 192 or CHM<br>112/114 |                                 | 5 or 4  |       |  |  |
| CHM 227 or 291            |                                 | 3       |       |  |  |
| CHM 212                   |                                 | 4       |       |  |  |

| MTH 244                   |                                 | 3       |       |  |  |
| PHY 203/273               |                                 | 4       |       |  |  |
| PHY 204/274               |                                 | 4       |       |  |  |

| Free | elective | credits |
|------|----------|---------|
|------|----------|---------|

(to meet the 120 credits required for graduation):

| Course | Credits | Course | Credits |
|--------|---------|--------|---------|
|        |         |        |         |
|        |         |        |         |
|        |         |        |         |
|        |         |        |         |
|        |         |        |         |
|        |         |        |         |
|        |         |        |         |
|        |         |        |         |
|        |         |        |         |
| L      |         |        | II      |

It is strongly recommended that WRT 104 or 106 be taken in the freshman year.

\*CHM 391 may be taken up to three times for credit. Chemistry & Forensic Chemistry majors must take this class in three different semesters.

Please note: Both major and cumulative GPA must be 2.00 or higher in order to graduate.

Chemistry & Forensic Chemistry-BS <u>THE UNIVERSITY OF RHODE ISLAND</u> FALL 2019-SPRING 2020 120 Credits Total 55 Credits in Major

**<u>GENERAL EDUCATION GUIDELINES</u>**: General education is 40 credits. Each of the twelve outcomes (A1-D1) must be met by at least 3 credits. A single course may meet more than one outcome, but cannot be double counted towards the 40 credit total. At least one course must be a Grand Challenge (G). No more than twelve credits can have the same course code (note- HPR courses may have more than 12 credits). General education courses may also be used to meet requirements of the major or minor when appropriate.
