GENERAL EDUCATION GUIDELINES: General education is 40 credits. Each of the 12 outcomes (A1-D1) must be met by at least 3 credits. A single course may meet more than one outcome, but cannot be double counted towards the 40 credit total. At least one course must be a Grand Challenge (G). No more than 12 credits can have the same course code (HPR courses may have more than 12 credits). General education courses may also be used to meet requirements of the major or minor when appropriate.

IMPORTANT PROGRAM INFORMATION

This advanced specialization is designed for highly qualified students who have decided on a career in physical therapy and wish to attend the URI DPT program. Students successfully following this track will be allowed to apply for the URI DPT program during their junior year. If accepted, credits earned the first year in the physical therapy program will be used to complete the B.S. degree in Kinesiology. Students in this track must complete the following requirements to stay in this accelerated program:

- Complete the required course sequence (attached) and have a 3.2 GPA at the completion of Freshman year (including summer classes).
- Receive a minimum grade of 3.0 (B) in BIO 121
- Complete the required course sequence (attached) and have a 3.30 GPA at the completion of Sophomore year
- Complete the required course sequence (must complete the courses listed through fall 03), have a GPA of 3.40 following the first semester of the Junior year.

Students who successfully meet the requirements, have taken the GREs, and have completed a minimum of 30 hours observation in a PT setting may apply for early contingency admission to the PT program. The student will be considered along with the regular pool of applicants for acceptance into the program.

Students who do not meet the requirements or who do meet requirements but are not accepted into the DPT program can complete the undergraduate track in Exercise Science and apply for PT school during their senior year. The courses needed to complete the B.S. in Kinesiology (Exercise Science Pre-Professional Specialization) are: BCH 211, KIN 390, KIN 486, 9-10 credits of free electives.

Kinesiology and PT Prerequisite Course Rotation Example. In addition to the classes listed below, you must also fulfill general education credits and earn 90 credits by the end of your junior year to be eligible to apply to the URI DPT program.

FALL YEAR 1 (15)	FALL YEAR 2 (14)	FALL YEAR 3 (13)	Important Notices
BIO 101 (3)*	PHY 111 (3)*	KIN 320 (3)	This rotation includes 79 credits of requirements. Fulfill 11 additional credits with general education courses or free electives to total 90 credits.
