### EDUCATION

Prior to Program Application (by the end of the first semester of your sophomore year)	After Admission (Sequential) These courses can not be taken prior to admission to the program. Once you are admitted, the courses must be taken in the sequence provided below. Plan your general education courses and Arts and Science major courses accordingly. Always consult an advisor prior to registration each semester. In program semesters 2, 3 and 4, candidates are assigned to cohorts. This determines the section students will enroll in for each of their courses. Candidates are consulted in this process.
