GENERAL EDUCATION GUIDELINES: General education is 40 credits. Each of the twelve outcomes (A1-D1) must be met by at least 3 credits, and at least one of these courses must be a Grand Challenge (G). No more than three general education courses can have the same course code. A single course may meet

more than one outcome, but cannot be double counted towards the 40 credit total. General education courses may also be used to meet requirements of the major or minor when appropriate.

TRANSFER CREDIT:

1. Students who wish to study at another college or university must obtain prior approval from the Dean’s Office and earn a grade of C or better for the credits to transfer. **Note:** Only the credits and not the grade will transfer.
2. Credit transferred from a community or junior college is limited to half the credits required for the University of Rhode Island degree. For a degree in business administration, that limit is 60 credits. Junior and senior level business courses are accepted only from colleges accredited by Association to Advance Collegiate Schools of Business International (AACSB). Upper-level business courses taken at an institution not accredited by this agency or at two-year institutions must be validated by examination. Courses that are not validated will be given credit as free electives. To schedule a waiver exam please contact (401) 874-4377.
