MINOR FIELD OF STUDY

Students are encouraged to pursue a minor field of study. 18 credits in one field or in an interdisciplinary field (e.g., Leadership Studies, Thanatology) can be used to establish a minor. These courses may also be used to fulfill other non-major requirements. The department in which the minor is granted and the CHS Dean’s office must sign the Minor Field of Study form. Consult with the department in which you are minoring for guidance in course selection. Completed minor forms are due the semester prior to graduation.
