## ABOUT THE HISTORY DEGREE:

The BA program in History provides students with valuable skills including how to analyze complex issues, plan research projects, locate information, collect and interpret evidence, understand cultural differences, read critically, write effectively, and work independently. Degrees in history lead to career opportunities in business, education, law, public service, and historical research. Students have enough electives to complete a second major, complete the Teacher Education program, study abroad, or take advantage of internship programs.

GENERAL EDUCATION GUIDELINES: General education is 40 credits. Each of the twelve outcomes (A1-D1) must be met by at least 3 credits. A single course may meet more than one outcome, but cannot be double counted towards the 40 credit total. At least one course must be a Grand Challenge (G). No more than twelve credits can have the same course code (note- HPR courses may have more than 12 credits). General education courses may also be used to meet requirements of the major or minor when appropriate.
