<b>Total Gen Ed Credits</b>	

**General Education Requirements:** Students must complete 40 credits of general education courses. Each of the twelve outcomes (A1 – D1) must be met by at least 3 credits. No more than 3 general education courses can have the same course code. A single course may meet more than one outcome, but cannot be double-counted toward the 40 credit total. General education courses may also be used to meet the requirements of the major or minor.

**\*\*Language Requirement:** Students satisfy the language requirement by taking two sequential courses in one language. Please check eCampus to verify that your language selection satisfies the Gen Ed outcome. See catalog for further details.

**Business Requirements:**

1. First semester sophomores who complete a minimum of 42 credits with an overall grade point average of 2.5 or higher and who have a 3.0 or higher average in BAI (BUS) 111, ACC(BUS) 201, BAI(BUS) 210, and ACC (BUS) 201 will be transferred to the College of Business. Students not qualifying after the first semester of their sophomore year must meet the requirements of an overall GPA of 2.5 and a 2.70 or higher average in BAI (BUS) 111, ACC (BUS) 201, ACC (BUS) 202, BAI (BUS) 210, ECN201 and ECN202.

**Graduation Requirements**

1. A minimum of 120 credits with an overall GPA of 2.0. An overall GPA of 2.0 (including all attempts) is mandatory for the 300 and 400 level courses required for the Innovation & Entrepreneurship major.
2. Half of the credits (4 courses) in the major must be completed at URI. All courses for the major must be taken at an AACSB-accredited business school.

**Transfer Credit Requirements:**

1. Students who wish to study at another college or university must obtain prior approval from the Dean’s office and earn a grade of C or better for the credits to transfer. Students will receive credit on their transcript and not a letter grade.
2. Credits transferred from a community or junior college are limited to half the credits required for the University of Rhode Island degree. For a degree in business, that limit is 60 credits. Junior and senior level business courses are accepted only from colleges that are AACSB-accredited.
