

**ABOUT THE BA DEGREE MUSIC OPTION:**

The BA in Music combines a program of performance, history and theory with more in-depth study in the liberal arts, while the BOM provides more intensive training in music. The Music BA has three areas of concentration: Music - with a focus on music performance, history and theory; Music History and Literature - with a focus on musicology; and Jazz Studies - with focus on jazz performance, history, theory, improvisation and cultural aspects.
