THE UNIVERSITY OF RHODE ISLAND

**GENERAL EDUCATION GUIDELINES:**

General education is 40 credits. Each of the twelve outcomes (A1-D1) must be met by at least 3 credits. A single course may meet more than one outcome, but cannot be double counted towards the 40 credit total. At least one course must be a Grand Challenge (G). No more than twelve credits can have the same course code (note-HPR courses may have more than 12 credits). General Education courses may also be used to meet requirements of the major or minor when appropriate.
