SUGGESTED TRACKS FOR TMD ELECTIVES:

Seniors who have a 3.0 or above may take TMD graduate courses. Work in each of these areas can be extended with "Special Problems" courses TMD 361/2 under the supervision of a TMD faculty member who teaches in that area.

PROFESSIONAL ELECTIVES:

Professional electives are 18 credits (six 3 credit courses) from outside the TMD Department that will help a student professionally. Three of the courses (9 credits) must be taken from the same department. If all 18 credits are taken in the same department, a "minor" may be earned (see below).

Choice of professional electives should be made in consultation with the advisor. Courses may be selected from a range of subjects such as business, art, consumer studies, and chemistry. Any 18 credits (at least 9 from the same department) that can be justified as advantageous to a career in the field of Textiles, Fashion Merchandising and Design will fulfill the professional electives requirement.

MINOR FIELD OF STUDY:

Students are encouraged to pursue a minor field of study. 18 credits in one field can be used to establish a minor. Check the specific department's minor requirements as you begin this process. You must get the approval a) of the department chairperson of the minor field and b) HSS Dean's Office on a Minor Field of Study form before the last semester prior to graduation.

Minor pursued: _____

Please note: Both major and cumulative GPA must be 2.00 or higher in order to graduate.
