

URI - BROWN ALPERT MEDICAL SCHOOL

Early Identification Program – Early contingent admission for fall 2023

2022 Process Timeline

August-September, 2022	Meet with Andrew Simmons, Chair of the Health Professions Advisory Committee (HPAC), to determine eligibility. Email Dr. Simmons for an appointment at ansimmons@uri.edu .
October 24, 2022	Deadline to submit application for nomination to the program along with supporting documents.
Early November, 2022 (exact day and format TBD)	Interviews with the Health Professions Advisory Committee. Nomination decisions will be communicated 1-2 days following interviews.
December 1, 2022	Deadline for applicants nominated by HPAC to submit application to Brown-Alpert admissions office.
January, 2023	Brown's admission committee chooses applicants to interview at the medical school. Exact Dates TBD. Admission decisions will follow interviews by late January.

NOTE: Applicants not admitted to the Brown EIP but who would like to apply for 2024 admission to medical school via the regular HPAC process should notify Dr. Simmons as early as possible.
