

MEMORANDUM

TO: University Faculty

FROM: Dean Libutti, Ed. D.
Vice Provost for Enrollment Management

DATE: January 30, 2012

SUBJECT: Important Campus Dates and Deadlines **-Corrected**

As you prepare for the start of the new semester, I would like to call your attention to some important dates listed below. Policies associated with adding and dropping courses are stated in the *University Manual* (Sections: 8.33.11 and 8.34.10 (www.uri.edu/facsen/8.30-8.46.html)).

To summarize the approved Faculty Senate policy for the upcoming add period (8.33.11):

- The first 7 days (January 23-29) in e-Campus is the Open Add Period. This time is designed to allow students to register using e-Campus if a seat is available and pre-requisites are met for a given course.
- An additional 7 calendar-day Late Add Period (January 30-February 5) in e-Campus shall allow students the opportunity to add courses via permission numbers. This time is designed to allow a conversation between the student and the appropriate Faculty member/Department/Deans Office to determine if it is appropriate to add the course during that time frame. If it is decided to allow registration, permission numbers will be required for any course during these 7 days.

Please note that permission numbers will work for the entire add period. The last day to add, and to use a permission number is February 5, 2012.

Helpful dates to remember for Spring 2012:

In both your formal and informal role as advisors, please remind students of these important dates, as outlined in the University Calendar (www.uri.edu/es/calexams/detailedcalendar.pdf).

January 23: First day of classes
February 5: Last day to Add courses via eCampus (pro-rata billing adjustment period ends)
February 20: Classes do not meet, President's Day
March 12-18: Spring Break
March 23: Last day to drop a course via eCampus
April 30: Classes End

Dropping Courses:

February 5 is the last day to drop a course with any pro-rata billing adjustment, March 23rd is the last day for students to drop courses via e-campus. Please encourage students to talk to an advisor or faculty member before dropping a course. It is essential that students understand the many implications of dropping a class, including a possible loss of financial aid if they drop below full-time, a delay in graduation, or being off sequence if the course is a prerequisite.

Note that the *University Manual* (www.uri.edu/facsen/8.30-8.46.html) allows faculty to drop students who miss the first two classes and have not notified the instructor of their intention to attend.

*8.33.13 Students not attending courses in which they enrolled have the obligation to drop those courses before the drop deadline. Names of students who are absent from the first and second class meetings of a course and **who do not notify the course instructor of their intention to attend future class meetings** may be submitted by the course instructor and/or the department chairperson to the Office of Enrollment Services for deletion from the class roster. If the instructor does not exercise this option, the student remains enrolled in the course unless s/he drops it through regular procedures*

Fees will be adjusted in accordance with the University's billing adjustment and refund policy, which is pro-rated beginning on January 23. The refund schedule can be seen at: www.uri.edu/es/students/bill/billadjrefundinfo

Best wishes for an enjoyable and productive semester.
