Session 2 _____

Ideas proposed/Recommendations

Study Abroad:

- a. Expand dates of J-term and summer study abroad programs because student athletes have challenges with existing schedules.
- b. Improve communication of how to apply for study abroad. Needs to go out freshman year.
- c. Increase scholarship opportunities so more students can study abroad.
- d. Integrate study abroad options into curriculum sheets so students know how it can fit into their programs.

International Students:

- a. Increase number of international students in the classrooms.
- b. Help international students to promote and hold events on campus to share their culture and experiences with other URI students.

Notable Issues, Questions, Challenges:

Put signs in other languages so students see global connections.
