

NEW ENGLAND REGIONAL STUDENT PROGRAM (NERSP)

It is the student's responsibility to apply for NERSP status; initiating a change of college and/or major form will not, in itself, result in a change to NERSP status.

NERSP status will not be made effective for a semester if the completed authorization form and a change of college and/or major form are not completed, signed by the academic dean, and filed in the Enrollment Services Office before the end of the "add" period. NERSP status cannot be made retroactive to previous semesters.

Send Completed Form To:

University of Rhode Island
Enrollment Services Green Hall
6 Rhody Ram Way
Kingston, RI 02881 USA

Phone: (401) 874-9500
Fax: (401) 874-7587

Students enrolled in NERSP programs must, each semester, make normal progress toward completion of the program. Students who are not making progress or who change programs will lose their NERSP authorization and may be subject to payment of nonresident tuition for the current and past semesters if applicable. An adjusted bill will be prepared by the Office of Enrollment Services.

Questions concerning the NERSP program should be directed to:
Undergraduate students – Students Academic Deans Office
Graduate students – Graduate School Deans Office
