

Materials:

Index Cards

Objective:

Get to know other students in your class while learning more about them.

Instruction:

Have each person write their name in the middle of the index card leaving some room on the edges. Then in each corner of their card they will answer a question.

- Top Right: What's favorite past-time?
- Bottom Right: What is your favorite movie?
- Top Left: What's the best book you've ever read?
- Bottom Left: What is your hometown and state?

Next have the students walk around the classroom and read each other's name tags and introduce themselves. Encourage the students to ask questions about their classmate's answers to the questions.
