Obtaining Approval to Fill Position

_____ Department notifies the Dean of a need to fill a position.

_____ Dean seeks the position through the budget allocation process or directly from the Provost for post/pre-allocation requests.

_____ After the Provost's Office has authorized filling the position, The Office of Budget and Financial Planning produces a Request to Fill Form (RF1) for positions funded by 100, 101, or 106 accounts that were awarded during the annual allocation process. Business Managers should produce an RF-1 for positions awarded pre/post-allocation and the Dean emails the completed RF-1 to the Budget Office authorizing filling of position, certifying FTE and funding available.

_____ If this is a new position, a Position Action Form will need to be created and approved. Budget Office produces a blanket PAF for assistant teaching professors. Business Managers produce a PAF for other new positions or vacant positions that need to be extended.
