

Mentor Workshop Evaluation Fall 2005

Summary of Mentor Responses 17/21

- On a scale from 1 to 10, with 10 being the highest rating, how would you rank this workshop?
- Range: 2-9
- Mean: 7.2
- Mode: 7

On a scale from 1 to 10, with 10 being the highest rating, how well did the workshop meet your expectations?

- Range: 2-9
- Mean: 7.1
- Mode: 9

What suggestions do you have for improving this workshop?

- No responses from 7 people
- Provide more time for mentor-mentee discussion
- More time for group discussion
- Have mentors and mentees brainstorm together
- Case study
- Less rushing of things
- The material covered could be provided in advance
- More concrete suggestions for mentors
- Involve people at the Dean's level to develop college-wide standards
- More discussion of involvement at the Dean's level
- Having a mentor is good for a new faculty member because it gives them some clout

Will this workshop improve your mentoring relationship?

How so?

- No response from 6 people

No:

- It will stay the same

Yes:

- I'll spend more time with mentee
- Better understanding of scope of information mentees are interested in
- Listening to others' views/understanding others
- I understand my mentees needs
- I have a better idea of what is expected of me

- I am more aware
- It provided some specific examples of issues of concern that can help jump start my interaction with the mentee
- I'll meet more often informally, over coffee
- Broader concept of roles; advocacy a genuine issue; still uncertain how to handle sticky situations

What did you find most useful or worthwhile about this workshop?

- No response from 5 people
- Discussion and interaction with others
- Formal discussion of mentoring a new thing
- Mentee comments
- Will spend more time with mentee
- Breck's presentation
- Hearing what the mentees wanted and their expectations
- Seeing the diversity of mentors and mentees and establishing some new relationships
- What additional info I should provide my mentee
- The fact that issue is being discussed- hope it will bring about institutionalized program
- Breck's presentation was helpful in broadening conception/perception of mentor situation

On a scale from 1 to 10, with 10 being the highest rating, how would you rate the knowledge, preparedness, and presentation by the facilitators?

- Range: 1-10
- Mean: 8.25
- Mode: 8
