

# Worker Training Record

*The Produce Safety Rule (PSR) and RI GAP program requires that employees (including part-time, seasonal, volunteers and supervisors) who handle (or supervise others who handle) covered produce or food-contact surfaces must be adequately trained as needed, but at least once annually.*

Farm Name and Address:

| Date/Time | Trainer | Employee Name | Topics Covered | Training Materials | Employee Signature |
|-----------|---------|---------------|----------------|--------------------|--------------------|
|           |         |               |                |                    |                    |
|           |         |               |                |                    |                    |
|           |         |               |                |                    |                    |
|           |         |               |                |                    |                    |
|           |         |               |                |                    |                    |
|           |         |               |                |                    |                    |
|           |         |               |                |                    |                    |
|           |         |               |                |                    |                    |
|           |         |               |                |                    |                    |
|           |         |               |                |                    |                    |
|           |         |               |                |                    |                    |
|           |         |               |                |                    |                    |
|           |         |               |                |                    |                    |
|           |         |               |                |                    |                    |
