Content: Message to TDs. (Copy and paste)

Dear Technical Directors:

We have attached the Final Poster, which will be presented on the program website on December 20th, 2022, the date for the Fall Symposium. The information used was approved previously by you, in the TPS#9, sent to you on November 22nd, 2022. Since the Final MPR#2 was submitted yesterday, no new technical contributions are reported in this email. The next report will be TPS#11, which will be sent on Tuesday, January 24th, 2023, with an additional Homework.

(Add personal message here: thanks for mentoring/ guidance etc; looking forward to Spring semester; achieving ABO; happy holidays; stay safe and healthy etc. Choose you own passionate words!)

Yours sincerely,

Capstone Designer Names.
