# Grassroots, student-lead IPE

The background features a dark blue gradient. At the bottom, there is a dense field of bright green grass blades. On the right side, there is a dark silhouette of a tree's root system extending downwards into the blue background.

## DalHSSA:

- <https://www.facebook.com/dalhssa/>
- <https://www.dalhssa.com/>
- <https://www.instagram.com/futurefacesofhealthcare/?hl=en>

# Dalmazing

- <https://www.youtube.com/watch?v=XhX3r21VD-g>
- Materials are made available to students on Brightspace (your Sakai)

# Healthcare Team Challenge

- **Elective IPE Event!**
- Interprofessional teams of students face off in a friendly competition to showcase interprofessional competencies and person-centred care. Prizes are awarded to the winning team.

How can IPE grow at URI?

# Sometimes, as a health professions student, things can feel like this:

- But with IPE, you feel less like a lone duck!
- IPE helps reveal the flock of capable and like-minded health professionals all there to accomplish the same goal:
  - *Patient-centered care*
