

# The SMILE Program Family Science/Math Night and Potluck Dinner

November \_\_\_\_\_, 20\_\_

Dear Parents/Guardians, and Friends,

The Elementary, Middle, and High School SMILE clubs are having a family science/math night and potluck dinner. It will give all of us a chance to get to meet each other, share our favorite foods, and have a great time. SMILE students are preparing special science activities around **the theme of Engineering** for all of us to participate in. It will be a wonderful opportunity to see our children demonstrate some of the concepts they have learned.

Please bring food for eight (8) as a main dish, salad/vegetable, or dessert to share with other families. Drinks and paper goods (cups, plates, utensils, etc) will be supplied.

\* It is important that at least one parent/guardian of each SMILE student attend. Attendance for SMILE students is mandatory.

**Date: November XX, 20\_\_**

**Time: 5:30 pm to 8:00 pm**

**Place: \_\_\_\_\_ School Cafeteria**

We look forward to seeing you and I'm sure we'll all have a very enjoyable time.

Sincerely,

SMILE TEACHERS

Middle School

Elementary

High School

-----✂please **cut-off and return** to your SMILE teacher as soon as possible.✂-----

Please indicate if you will bring a main dish, vegetable, or dessert (to serve 10 people).
