

Science and Math Investigative Learning Experiences

FOUR-YEAR HIGH SCHOOL PLAN WORKSHEET

Name: _____ Grade: _____ SMILE Teachers: _____

Career Interests/Tentative Career Pathway: _____

*Directions: Obtain a copy of your high school's course options. According to the new RI Diploma System, in order to graduate, you must complete a minimum of 20 courses, including: 4 years of English, 4 years of math, 3 years of science, and 3 years of history or social studies. Please refer to <http://www.ride.ri.gov/instruction/diploma/students.html> for more information. It is **important** to realize that to stay in SMILE, you must take 4 years of math and science. In addition, many colleges will require more than the state minimum, especially if you plan to pursue a degree in a science-related field. If possible, find out the high school classes required for colleges of your choice. If you are in 10th, 11th, or 12th grade, please fill in the classes that you have already taken in addition to the ones you plan to take.*

9th Grade
