

## Report Card Celebrations

**Have a short and sweet (20 mins) report card celebration each of the first three grading periods while having a special snack.** (It motivates students to try harder or keep up the excellent work.)

**\*\*Food cost is limited to \$20/report card celebration, such as ice cream (large tubs ~\$5/tub), cookies, water.**

**\*\*Report card celebration has to be done no later than 2 weeks after report cards are issued.**

1. At the end of each of the first three quarters, ask guidance for a duplicate report card of each of your SMILE students. Give them a list of names and grade that the student is in and request it back (some students may bring in a copy of theirs).
2. Announce the top three students in each grade at the SMILE club.
3. Students with less than a C in any subject sign the contract below and are put on probation for two weeks to get the grade(s) up. Ask teacher(s) involved to give you an informal progress report on the student and reason for poor academic performance.
4. Have the student sign the below form, KEEP A COPY, and send it home so parents/guardians are aware.
5. If the student does not improve her/his grades, s/he can no longer participate in SMILE until those grades are improved. You may invite a new student from a waiting list to take that person's place in SMILE.

### Student Contract to Improve Grade(s)

Name of Student \_\_\_\_\_ has received a mid-term warning or term grade below C (or 2, depending on the grading system, or approaching the standard).

I agree to make every effort in the next two weeks to improve the grade(s) in the following subject(s)

\_\_\_\_\_ in order to stay in The SMILE Program. Please ask your teacher(s) what is required to improve your grade. The SMILE teacher will contact your subject teacher(s) to determine if academic progress has been made.

I will work to improve my grades in the above subjects in the next two weeks so that I have at least a C average in all my classes. If I do not improve my grades, I am aware that I will be dropped from the SMILE club and put on a waiting list. Reinstatement will depend on my grades improving to C or better and the number of students on the waiting list.
