## Access My Projects

The My Projects page provides you with quick access to all of your projects.

The screenshot shows the IRBNet interface. On the left, a navigation menu includes 'My Projects', 'Create New Project', 'My Reminders', and 'Other Tools' with 'Forms and Templates' highlighted. The main content area is titled 'My Projects' and features a search bar with 'Search' and 'Clear' buttons. Below the search bar is a table of projects with columns for IRBNet ID, Project Title, Principal Investigator, Submission Type, Status, and Effective Date. Two callout boxes provide instructions: one points to the search bar and another points to the 'IRBNet ID' column header.

✓ Search feature allows you to search by fields such as Internal Reference Number and Sponsor.

✓ Click column headers to sort.

✓ Access your institution's forms and guidance documents here.

**Share Project**

[137618-1] Motivations of Research Subjects: A Mixed Methods Study

You may share this project with other Researchers, Committee Members, Administrators and Sponsors. You may also send a complete copy of this project to a Principal Investigator at another site if this is a multi-site project. You may also transfer ownership of this project to another individual.

- **Share:** Use this option if you wish to share your project with other Researchers, Committee Members, Administrators or Sponsors at your own institution or any other institution. For example, you may wish to share this project with other members of your research team so that you may collaborate in the design and development of the project, or with a selected Committee Member or Administrator to solicit feedback prior to submitting your project for review. You may provide any individual with **Full**, **Write** or **Read** access.
- **Multi-site:** Use this option only if your project is a multi-site project and you wish to send a complete and independent copy of this project to a Principal Investigator at another site. The local Principal Investigator will be able to obtain project documents from the lead site and may modify their copy of these documents (such as consent forms) to meet the requirements of their local Board. You will be able to monitor the progress of this project at every local site. The other local Principal Investigators will also be able to monitor the progress of this project at every local site (including your own).
- **Transfer:** Transfer your ownership of this project to another user. In doing so you will relinquish all access to this project and the designated user will be granted **Full** access.

Specify the access that you wish to grant to each user at **Metropolitan University**. You should grant each user only the minimum level of access necessary to perform their work on this project.

- **Signature Only (Read):** Users whose only role is to sign off on project documentation should be granted "Read" access. Users with Read access can view project documentation, communicate with the project team and add their signature. This would typically include advisors, department heads, and other individuals who are required to sign off on the project documentation prior to submission but do not otherwise have a day-to-day role on the project.
- **Read:** Users that are granted "Read" access can view project documentation, collaborate with other users and add their signature, but may not edit project documents or perform any other administrative functions.
- **Write:** Users that are granted "Write" access can view and edit project documents, collaborate with other users and add their signature, but may not grant access to other users, submit packages for review or perform any other administrative functions.
- **Full:** Users that are granted "Full" access can perform all functions without restriction. This includes editing project documents, sharing the project with other users, submitting document packages for review and deleting document packages. Only Project Owners with day-to-day responsibility for the project should be granted Full access. Users with Full access will receive automatic email copies of all project notifications and alerts that are sent to the Project Owners.

## Did you submit an incomplete package?

If you have forgotten to add a necessary document or need to make a quick change to a recently submitted project package, CONTACT YOUR LOCAL BOARD COORDINATOR.

For advanced topics, such as submitting subsequent packages (for reportable events, continuing reviews, modifications, etc.), please refer to the R2 Training Energizer. CONTACT YOUR LOCAL BOARD COORDINATOR if you have questions.

## Managing unlocked packages

If revisions are needed before your submission is reviewed, your coordinator *may* unlock the package for you to revise. Unlocked projects can easily be managed from the My Projects page.

The screenshot shows the IRBNet interface. On the left, there is a navigation menu with 'My Projects', 'Create New Project', 'My Reminders (3)', and 'Other Tools' (Forms and Templates). The main content area is titled 'My Projects' and shows a list of projects. The first project, 'Motivations of Research Subjects: A Mixe...', is highlighted in blue and has a red padlock icon with a minus sign, indicating it is unlocked. A red arrow points from a callout box to this icon.
