THINK BIG  WE DO™

Research Development Updates

- InfoEd SPIN
- Proposal Review Service

The screenshot shows a web browser window with the URL <https://uri.infoedglobal.com/EnableWeb/Portal/Home>. The page header includes "InfoEd's eResearch ..." and "THE UNIVERSITY OF RHODE ISLAND". A navigation bar contains links for "HOME", "MY PROFILE", "LOCATE MY RECORDS", and "LOCATE RECORDS". Below the navigation bar, there is a "SPONSORED PROJECTS" section with a "SPIN" link circled in red. To the right, there is an "Assignments" section with a table containing a checkbox and the text "Module".

Human Subject Research

- Collaborative research where one institution serves as IRB of record– reliance agreements (could be multisite, or 2 collaborators). Often called IAAs.
- URI is member of SMART IRB, a reliance platform serving 900+ institutions using a common platform to facilitate the IRB process. SMART IRB is not an IRB, but serves only to facilitate the process.
- For collaborative research assistance, contact Mary Riedford, Associate Director mcriedford@uri.edu

THINK BIG  WE DO™

EHS Update

- All requests to ship dangerous goods must come through EH&S since it is a violation of FAA and DOT regs to ship without proper training.
