

UNIVERSITY OF RHODE ISLAND

FACULTY SENATE

Bill #01-02--5

On October 25, 2001, the Faculty Senate approved the following recommendation of the University College and General Education Committee:

That students be permitted to apply the Fall 2001 Honors Colloquium, HPR 202 A Just and Sustainable Future, to either the Social Sciences (S) area or the Natural Sciences (N) area of the General Education program.
