

Report to the Faculty Senate from the Council for Research December 8, 2016

The proposed changes to By-Laws of the Faculty Senate sections 4.56 and 4.57 were presented, moved, and discussed at the November 17, 2016 Faculty Senate meeting. Per 12.1 of the By-Laws of the Faculty Senate, because a proposed amendment to the By-Laws may not be voted upon at the meeting at which it is first moved, the sections are returned for a vote.

Rationale for change. Current language in the University Manual requires that the Council for Research elect its chairperson at the first meeting in September. The FSEC has previously discussed whether the chair should be elected earlier than September so there is continuity for the chairperson role. These changes reflect the most recent input from the Faculty Senate and the Council for Research.
