

**"De colores"** (*[Made] of Colors*) traditional Spanish language folk song

De colores, de colores se visten los campos en la primavera.  
De colores, de colores son los pajaritos que vienen de afuera.  
De colores, de colores es el arco iris que vemos lucir.

*Y por eso los grandes amores de muchos colores me gustan a mí.  
Y por eso los grandes amores de muchos colores me gustan a mí.*

All in colors, all in colors the fields love to show off all during the springtime.  
All in colors, all in colors the birds have their feathers so free flying past us.  
All in colors, all in colors the rainbow is shining across the bright sky.

*All in colors, and so must all love be of every bright color to make my heart sing.  
All in colors, and so must all love be of every bright color to make my heart sing.*
