

THE
UNIVERSITY
OF RHODE ISLAND

Brightspace @ URI

THINK BIG  WE DO™

Current Status

About 65 courses are currently using Brightspace in our Spring 2020 pilot.

Faculty and staff access: February 3, 2020.

Brightspace uses URI's new Single Sign-on login system which is also gradually rolling out to all URI systems.

- If you haven't done so already, you will need to sync your passwords first: password.uri.edu

THINK BIG  WE DO™

Moving forward

Sign up now for Basic Brightspace Training:

<https://forms.gle/5LpX6gWfh61ZzF419>. Begins 2/3/2020.

Faculty mentors will be offering workshops and office hours. List and schedule will be on website.

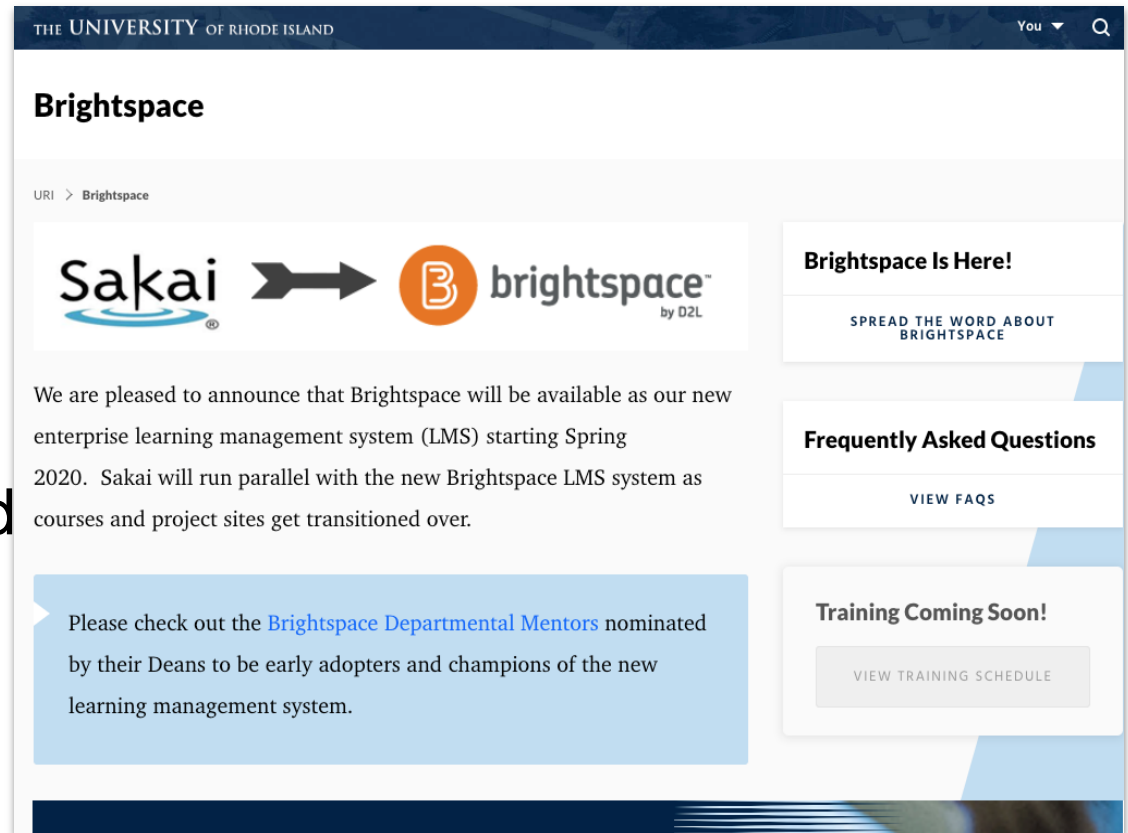

Faculty will be able to archive courses and migrate newer ones. More information on available tools will be provided mid-February.

The screenshot shows the URI Brightspace Resource Website. At the top, it says "THE UNIVERSITY OF RHODE ISLAND" and "Brightspace". Below that, it says "URI > Brightspace". The main content area features the Sakai logo with an arrow pointing to the Brightspace logo (by D2L). The text below reads: "We are pleased to announce that Brightspace will be available as our new enterprise learning management system (LMS) starting Spring 2020. Sakai will run parallel with the new Brightspace LMS system as courses and project sites get transitioned over." A blue callout box contains the text: "Please check out the [Brightspace Departmental Mentors](#) nominated by their Deans to be early adopters and champions of the new learning management system." On the right side, there are three sections: "Brightspace Is Here!" with the subtext "SPREAD THE WORD ABOUT BRIGHTSPACE", "Frequently Asked Questions" with a "VIEW FAQs" button, and "Training Coming Soon!" with a "VIEW TRAINING SCHEDULE" button.
