

University College and General Education Committee Report #2013-14-2

At the January 9, 2014 and February 6, 2014 meetings of the University College and General Education Committee, the following matters were considered and are now presented to the Faculty Senate.

Section I Informational Matters

URI University College and General Education Committee Report and Recommendations, January, 2014 prepared and presented to describe the proposed General Education program, explain the history and rationale of the UCGE committee's work over 5 years, document milestones, and provide some of the major supporting documents.

http://www.uri.edu/facsen/about/committees/minutes/2013-2014/UCGE/UCGE_report_final.pdf

The proposed General Education Program as described by Appendices E (Proposed General Education University Manual Language) and F (Proposed General Education Catalog Language) will comprise the content of the motion that is planned to be presented at the March 20, 2014 Faculty Senate meeting.

Section II Matters Which Require Confirmation by the Faculty Senate

I. Grand Challenge

The UCGE Committee recommends that the Faculty Senate allow GCH courses to be scheduled for a fifth offering in 2014.
