

UNIVERSITY OF RHODE ISLAND

FACULTY SENATE

RESOLUTION #04-05--2

On February 24, 2005 the University of Rhode Island Faculty Senate adopted the following amended resolution recommended by the Executive Committee:

Resolved, that the 2005-06 Faculty Senate Executive Committee and subsequent FSECs

*are urged to continue development of survey instruments to help identify major concerns of faculty, students, staff, and administrators;

*are urged to enlist the help of faculty experts in the design, development, and administration of such instruments;

*are urged to retain some form of open endedness in the instruments;

*are urged to consider administering such instruments during the spring semester of each academic year;

*are urged to distribute the results generally as well as to specific individuals and campus organizations which may be able to make use of or respond to them;

*and are urged to consider the results of surveys to help guide the activities of this and future FSECs and Senates.
